IMPOSSIBLE TO ME

- Leila:** I would make it all alright,
but it's impossible.
I would turn dark into light,
but it's impossible.
I would turn back the clocks for you,
but it's impossible to me.
- Charlotte:** I would chase your fears away,
but it's impossible.
I'd be here, and here I'd stay,
but it's impossible.
I would make all your dreams come true,
but it's impossible you see.
- Leila:** Maybe soon, or someday near,
she'll stay with me forever.
Hold my hand and leave me never,
and spend the whole day just me and her.
- Charlotte:** Oh god, I'm such a bad mother.
(spoken)
- Leila:** I would make it all alright, but it's impossible.
- Charlotte:** I would give up all I have for you.
- Leila:** I would turn dark into light, but it's impossible.
- Charlotte:** It's not too late to change our life around,
bring back all the lost time,
it's not impossible you see.
- Leila:** Maybe soon or someday near
she'll stay with me forever.
- Charlotte:** Maybe now I must change
our lives for the better.
- Both:** I'll will be all that she will ever need,
and there in her (my) arms
she'll (I'll) stay and never leave.

We can face the world alone,
but with the two of us
we'll find strength and build a home,
with just the two of us.
With the two of us learning,
we will keep love burning.

Charlotte: I love you.

Leila: I love you

Charlotte: I'll never...

Both: ...forget you again.
