# SERENDIPITY

**Sophie:** I need someone who makes me feel  
the way I dreamed he would.  
What chance have I to find that person?  
The odds are less than good.

Just where'd I find this good man?  
This kind and honest, good man?  
Who knows?

**Both:** Who knows?

**George:** The man you seek could be around you  
Oh, if you only knew.

**Both:** Someone to stare at stars together,  
Someone, you know, like you.
