# SO SIMON SAID

- Ella:** But this will ruin him!
- Charlotte:** Well, it's not like he's innocent.
- George:** Beat him at his own game: trial by media.
- Sophie:** So Simon said what goes around comes back around,  
it's ours to take,  
So Simon said.
- George:** So Simon said, 'print what you like,  
the ethical can take a hike!',  
So Simon said.
- Charlotte:** So Simon said, 'you know who's boss?'
- Amelia:** Yeah, I'm on top.  
Who's laughing now?
- Charlotte:** So Simon says.
- Ella:** I know when he said  
that he needed me I would be there...  
...why was it so wrong?
- Sophie:** No, you can't think like that.  
He's getting exactly what he deserves.
- Charlotte:** If he's got any sense he'll leave and never come back.
- All:** So Simon said 'the people choose',  
so much to lose,
- Sophie:** He's really screwed!
- All:** So Simon said.
- Amelia:** So Simon said.
- Ella:** *Poor* Simon said.
- All:** So Simon... ...said!
